Stunning 4 Bedroom Home on Expansive 2023m² Lot in Yanderra!

This stunning 4-bedroom home, situated on approximately 2023m in the popular town of Yanderra, is a must-see! The property features floating floors throughout, with plantation shutters in all bedrooms, the dining room, and the kitchen. The dining room and family/games room are equipped with split system air conditioning.

The master bedroom is generously sized and includes a walk-in robe, while bedrooms 2 and 3 have built-in robes. The property boasts two living areas: a good-sized living room and a spacious 55m family/games room that can serve multiple purposes, such as a teenage retreat, and features two sliding doors that open to the alfresco area and backyard.

The modern kitchen is beautifully presented with stone benchtops, a dishwasher, built-in oven, cooktop, and a large fridge space. Attention to detail is evident in the matching tapware and sink with the cabinetry. The bathroom has been tastefully renovated and includes a shower, vanity, toilet, and bath.

Ideal for entertaining,

Paul Vella
